Education

MD (Pathology) •Bangabandhu
Sheikh Mujib Medical
University • March 2013 to
August 2017

MBBS • Mymensingh Medical
College • January 2005 to May
2010

Higher Secondary Certificate
HSC): GPA 4.9 in 2004

Secondary School
Certificate(SSC) : GPA 4.5 in
2002

Professional Awards

Best teacher Award 2023
TMSS service award 2022
Mujib Year service Award 2021

Objective

I am a motivated Associate Professor with experienced in the field of Clinical cytology, Histopathology, Molecular pathology, Medical education, and Precision cancer medicine. My objective is to establish an ISO 15189:2022 accredited laboratory in low resource setting, providing excellence to the underprivileged cancer patients through precision cancer medicine and development of an integrated undergraduate medical curriculum in Bangladesh.

Experience

Associate Professor of Histopathology

Working in TMSS Medical College and Rafatullah Community Hospital as an Associate Professor of Histopathology since 2023 and assistant professor of Histopathology since May 2017. Working as a key person in the development of a Histopathology and Immunohistochemistry Laboratory in the 750 bedded hospital. Signed out approximately 31,000 surgical pathology, cytopathology and Immunohistochemistry cases so far. Also skilled in Image guided FNAC and core biopsy procedure. As a medical educationist runs a couple of faculty development programme in my medical college.

Laboratory Director of TMSS Biomolecular Laboratory

Now I am working as a laboratory director of TMSS Biomolecular Laboratory, the first molecular cancer diagnostics lab in Bangladesh. I have got training in the field of molecular pathology operation, laboratory information management system, Quality management system and development of ISO 15189 accredited laboratory from Xing Holdings, Australia. Already we have developed a molecular laboratory with NGS facility and now working on ISO 15189 Accreditation process.

Key Skills

Clinical cytology,
Histopathology, Molecular
pathology, Medical education,
Precision cancer medicine.

Research experience

I am an enthusiastic researcher with 32 publications so far focusing on Nephropathology, Gynaepathology, Lymphoreticular pathology, Head neck pathology and molecular pathology. My carrier focus is translational cancer research, precision cancer medicine and clinical trial.

Training in Molecular Pathology

Training in the field of molecular pathology operation, Quality management system and development of ISO 15189 accredited laboratory from Xing Holdings, Australia. My trainers are Dr. Paul Mainwaring, MD, FRCPA, Dr. Kevin KOO, PHD and Rebecca Perkins, MPH.

Summary of Post Graduate Training and Experience

1. Lecturer, Genesis, Post graduate medical orientation programme, Shahbag, Dhaka.(From January 2014 to December 2015)
2. Lecturer, TMSS medical technology institute, Bogra.(From February 2012 to December 2012)
3. ICU medical officer in Dhanmondi General & Kidney Hospital, Dhaka. (From 1/6/2013 to 31/12/2016)
4. Participation in 9th Postgraduate Course on Histopathology and Cytopathology organized by Bangladesh Academy of Pathology, 29/11/2014 to 3/12/2014.
5. Participation in 10th Postgraduate Course on Histopathology and Cytopathology organized by Bangladesh Academy of Pathology, on 5/10/2015.
6. Participation in 3rd South Asian conference in Histopathology organized by Bangladesh Academy of Pathology, 2/10/2015 to 4/10/2015.
7. Resident: Bangabandhu Sheikh Mujib Medical (BSMM) University. Date: 1-3-2013 to 28-2-2017.

Working Experience as a Medical Educationist

8. Trained in teaching methodology in centre for medical education. Date: 22/6/17 to 26/6/17
9. Attending South East Asia Regional Association for Medical Education (SEARAME) conference in 2021
10. Admin: easypathology (facebook group): Academic site for undergraduate medical students
11. Admin: Bangladesh surgical pathology (facebook group): Academic & professional group of histopathologists, pathologists, pathology trainees & residents.

12. Six month duration Certified course in medical education from BIRDEM (CMed)
13. Conducting integrated teaching workshop in TMSS Medical College in 2022.
14. Working as a faculty member in Medical education unit of TMSS Medical College.
